E2	7:50 A.M.	3:30 P.M.	Buckhorn Wash
E3	7:50 A.M.	3:30 P.M.	Buckhorn Wash

### Weather Report for Today!

**Sunny**

High of 92°F

Low of 50°F

0% Chance of rain (dry as a bone) and 20% chance of cloud cover (relatively little)  
6 mph Winds...about as quick as you jog.

Recommendation: Sprinkle water against the wind and let it fly into your face. Pseudo-rain.

## Lieutenant Governor coming to Visit, Media On Site Today

Your Public Relations staff has been working hard to arrange a day where the media can visit on of the work sites and talk to you about just what working on this project has been like, and that day has come!

Today we have invited TV, newspaper, and radio reporters to interview Buckhorn Wash workers during the afternoon hours. In addition, we have invited all of the local

dignitaries to visit as well and see all of the hard work that we've been doing for their community.

Then, when you come back this evening, the Lieutenant Governor of the State of Utah, Gary Herbert, is going to speak to all participants here at Base Camp.

Essentially, today is a spotlight day for the Boy Scouts of America, Order of the

Arrow, and the Manti-La Sal service site, so look sharp and do us proud! Don't be worried if a helicopter flies overhead—we may have some TV media wanting to cover you!

Issue 6

## Last Day to Donate, First Day to Purchase

Tonight you will have the first opportunity to participate in the Manti-La Sal Patch Auction! All proceeds go to support our fabulous host site, and all purchases go to support your patch collection.

Having the patch auction this evening also necessitates that today is the last day to donate and support! Hurry and see just how much your donation goes for!

### Departure

Due to the Jinx factor of adopting Peanut as the Staff Mascot, Peanut has departed the campus. But she lives on in our hearts and consciences.

## New Trading Post Items!

Yes, that's right! Thank you for your excellent consumption of our items; you've all but cleaned us out so we're adding more! Each participant will be able to purchase 1 additional carabineer and 1 additional hat patch!!! Get them Quick, we're running out!

## Showers!

They make you clean, you feel good afterwards, and so you all want them! However we're having some issues with hot water in the kitchen (coffee, hot cocoa, dish cleaning, etc). The Staff is making a request that any showers before 9:00 PM are kept short (5 minutes-ish) and hot water use is minimized (so warm, but not scalding). Thank you!

## Comedy Show!!!

8:30 p.m. tonight in the Gym

Come relax and relieve some stress after a long day of work with hilarious acts and amusing characters!

## Camera Uploading Available!

Are you taking pictures? Please help out our staff by uploading copies of your photos into our documentation system at Dinner! Ask for John Kondziolka or Robert Mason. You can get Published! (see Around)

## A note from Transportation...

Planning would like contingent leaders, or anyone arranging their travel through our services, to check the transportation postings after dinner tomorrow evening outside of the headquarters library area inside the school building.
